FORKLIFT BIN TIPPER

SPECIALITY RANGE

OVERVIEW

The Moovmor fork lift wheelie bin tipper is a versatile piece of equipment that can easily turn your fork lift into a bin tipper.

It is very simple to use and connects easily to your forklift using the A&B ports and quick release hoses. The Moovmor fork lift wheelie bin tipper comes in modes to fit a range of wheelie bins from 120L to 1100L in size. It can also be customised to tip drums as well. The Moovmor fork lift wheelie bin tipper – the ideal solution for your decanting requirements.
